Unit J, Sec. 27-10S-25E,
Chaves County, New Mexico

Dear Sir:

We are in receipt of form C-104 (Request for Allowable) on the above-captioned well. We are returning this form for the following corrections:

- 1) Please fill in "date first new oil run to tanks;"
 - 2) Please indicate "Total Depth,"
 - 3) State whether well is pumping or flowing.
- It will also be necessary for you to submit five (5) copies of form C-110 (authorization of transporter), and three (3) copies of form C-103 on each string of pipe run. Form C-104 cannot be approved until these forms are submitted and the above corrections made.

Please take care of this work as soon as possible.

Very truly yours,

OIL CONSERVATION COMMISSION
