Chaves County, New Mexico

Dear Sir:

We are in receipt of forms C-103, C-104, and C-110 on the above-captioned well. We are returning form C-103 as the information you have furnished is inadequate. As stated in our letter of September 26, 1960, it will be necessary for you to submit three (3) copies of form C-103 on each string of casing run (i.e., 7-inch and 4½-inch casing). Please indicate the depth, number of sacks cement and the results of test of casing shutoff.

Forms C-104 and C-110 will not be approved until this office receives the proper forms C-103. Please take care of this matter at once.

Very truly yours,

OIL CONSERVATION COMMISSION
