Dear Mr. Harle:

It has come to our attention that drilling operations had commenced on the subject well prior to the letter of cancellation. Therefore, our letter of November 13, 1980, cancelling Form C-101, Notice of Intention To Drill the well, is hereby rescinded, and the permit remains in full force and effect.

Please submit Form C-103, reporting the spud date and any other pertinent information immediately.

Failure to comply will result in this matter being referred to our attorney for legal action.

Sincerely,

A handwritten signature in cursive script, reading "W. A. Gressett".
