" Zimmerman #3 Ut C-35-10S-25E - Bond # 9SE-064-534 / \$5,000

Dear Rand,

We recommend plugging the above captioned wells to protect fresh waters of the state of New Mexico.

We do not see any major problems in plugging these wells but it looks as though we will need to play these by ear because the records are incomplete.

According to our records we still have plugging bonds in place.

If we may be of service to you please let me know.

Yours Truly,

Ray Smith
Deputy Oil & Gas Inspector
