Unit O, Sec. 34-10S-25E,
Chaves County, New Mexico

Dear Sir:

On June 21, 1960, we received forms C-101 (Notice of Intention to Drill) and forms C-128 (Well Location Plat) on the above-captioned well. Since that time we have not received any reports.

Will you please send us these reports at once? We require forms C-103 (Miscellaneous Report) three (3) copies, on each string of pipe, how much ran, how much cement, and who did the cementing.

Very truly yours,

OIL CONSERVATION COMMISSION
