Unit I, Sec. 9-11S-25E,
Chaves County, New Mexico

Gentlemen:

We are returning completed forms C-104 and C-105 corrected as per your letter of November 21, 1960.

In addition to the corrections mentioned, you asked that we submit form C-103 on casing run and results of casing shut-off. We regret that we do not have this information available in any written form, and therefore, cannot be accurate in reporting the results. We trust that Mr. James I. Wright, Field Engineer, Water Rights Division, Roswell, New Mexico, has this information in correct form. If we can be of assistance in obtaining the information from that office, please contact us.

Yours very truly,

M. R. V O L T Z
