MARINE OFFICE

Dear Sir:

In your letter of October 4, I presume you are referring to the Marine Insurance Company Bond (which has no value) of August 21 at which time the \$750 premium was paid.

We do not understand the nature of these bonds. They are not the consideration of the bond in the world. In the world, I can assure you that the bond is a piece of paper from the State of New Mexico. We will pay the premium and furnish us with a receipt. We will then refund the unearned portion of the premium. Meanwhile it is necessary that we advance this sum to the insurance company for you.

We will expect to receive payment of this sum on or before the date of this letter or not later than October 25. If we have not received payment by that date we will file suit against you, and you will be privileged to pay the premium and the court costs.

Mr. Robert E.
Hinkle, Esq.
Des Moines, Ia.

Dear Mr. Hinkle:

I have been told that I plugged the Rice St. Well in Des Moines, Ia. on or about July 10th, 1911. I was then employed by the Iowa Conservation Commission. I was not intended to refill the well just to satisfy the requirements of the law, but the well is properly plugged and sealed. I have been working on the matter and will have a chance to test it in the near future. If you are concerned the bond should have been cancelled on July 10th, 1911. That date on the bond is your problem if you intend to keep it in force. In regard to the bond on the Thielking well in Hildale, Mo. the bond will be paid for by Mr. Gay Swartz as the operator.

Very truly yours,

John D. Swartz
