Re: Allison #1 Well
NW $\frac{1}{4}$ NW $\frac{1}{4}$ Section 15, T-14-S, R-25-E
Chaves County, New Mexico

Gentlemen:

Would you please advise this firm as to what is wrong with the manner in which the above captioned well has been plugged? We are quite anxious to take whatever steps are necessary to satisfy your requirements.

Mr. Harold Kersey of Artesia had charge of the plugging of said well, and it is my understanding that a representative of the New Mexico Water Conservancy Board was present when said well was plugged. Therefore, we are at a loss as to what steps should be taken. I will be anticipating your early reply.

Very truly yours,

ASHMORE & ELWELL
