Mr. O. J. Warman,
Box 72,
Roswell, New Mexico

Dear Sir:

Regarding the well you contemplate starting in the SE $\frac{1}{4}$ of Section 9, Township 14 South, Range 25 East. I have your notice of intention to drill but I am holding it up waiting for the bond necessary before approval.

I am enclosing a copy of bond form approved by the Land Office for your convenience. This form calls for a \$10,000.00 bond, but in your case one for \$1,500.00 will be sufficient, please forward this to me by return mail and I will send it in for approval.

Under no conditions, should this well be spudded prior to the bond approval, so I will have to ask you to wait for same, in case you have all ready spudded it would be advisable to shut down for this, I remain,

Very truly yours,

J. D. Hunter,
State Oil & Gas Inspector.
