OFFICE OF STATE GEOLOGIST
SANTA FE, NEW MEXICO

Warman No. 1 Well

March 2, 1933

Mr. J. D. Hunter
Box 522
Carlsbad, New Mexico

Dear Mr. Hunter:

This will acknowledge receipt of your letter of February²⁵ and form SG-101 in triplicate for the O. J. Warman Drilling Company, Well No. 2, in the SE $\frac{1}{4}$ of Sec. 9, T. 14 S., R. 25 E.

I presume this notice has not been approved by you because of the fact we have no bond on file. We will hold this notice in the Santa Fe files for the time being, trusting that a little later we can obtain a proper bond following which the notice can be approved and a copy sent to the O. J. Warman Drilling Company.

This bond matter is one that evidently needs our further attention but I believe it will be well to defer this until after the Legislature is over and we know definitely the general program for the next two years.

I find that the files here contain the various pertinent reports for the Warman No. 1 Well.

EHW:F

Very truly yours,

E. H. Wells,
State Geologist.
