Slayton Oil Corporation
P. O. Box 2035
Roswell, New Mexico 88201

Gentlemen:

This office received your C-103, on the wells listed below, showing change in well status from injection to producing.

State E-92 #6-F-26-10-26	State E-92 #9-C-26-10-26 ✓
State E-92 #13-E-26-10-26	State E-92 #17-K-26-10-26
State E-92 #19-C-26-10-26	Honolulu St. #4-F-14-11-27
Levick C St. #6-L-15-11-27	

Before we can change these wells, we will need a C-103 showing what work was done to convert these wells from injection to producing.

Also, you need to file a C-104, original and 4 copies, showing the amount of allowable requested and showing transporters.

As soon as we receive the necessary paperwork, we will change the wells to producing.

Very truly yours,

Les A. Clements
