Dear Sir:

This is to inform you that State of New Mexico Lease No. E 4937 for the above-mentioned wells has expired and has been cancelled. It will be necessary for these wells to be plugged, and we should be notified before the plugging. If you wish to re-enter these wells, it will be necessary for you to submit Form C-101, "Notice of Intention to Drill" and Form C-102, "Well Location and Acreage Dedication Plat." If this is not correct, please let us know.

Very truly yours,

OIL CONSERVATION COMMISSION
