> Re: Charles A. Lee, Dale A Federal No. 1 E, 33-7-26, Pecos San Andres Pool

Dear Miss Briscoe:

Enclosed please find August Supplement No. A69. This supplement should assign the subject well sufficient allowable to make up for any overproduction incurred and cover current production. Apparently, the well was accidentally dropped from the Proration Schedule when all the ownership confusion occurred some months ago. Please check your copy of the Oil Proration Schedule each month and if omissions or errors are noted, contact this office immediately.

Very truly yours,

OIL CONSERVATION COMMISSION
