Sec. 22, T10S, R26E, Chaves
County, New Mexico

Attention: Mr. H. D. Nichols

Gentlemen:

A recent field inspection of the site of the subject well reveals that the location of the well has been painted on the well marker rather than permanently stenciled on the marker as required. When this work has been completed please notify this office so that we may make final inspection.

Very truly yours,

OIL CONSERVATION COMMISSION
