Re: State KA-22 #1, Unit-O
State KB-22 #1, Unit-P
Both in section 22-10S-26E

Dear Sir:

A field inspection of the two above mentioned wells was made June 10, 1963.

Both dry hole markers have been set very insecurely in the dirt beside the well, and both markers are in error as to location in that the Range reads 36E instead of 26E.

Please notify this office when the required work has been completed so that we can make the final inspection.

Very truly yours,

OIL CONSERVATION COMMISSION

Howard E. Lobley

Re: State KA-22 #1, Unit-0
State KB-22 #1, Unit-9
Hole in section 22-102-20E

Dear Sir:

A field inspection of the two above mentioned wells was made
June 10, 1963.

Both dry hole markers have been set very insecurely in the dirt
beside the well, and both markers are in error as to location in that
the range reads 30E instead of 20E.

Please notify this office when the required work has been completed
so that we can make the final inspection.

Very truly yours,

OIL CONSERVATION COMMISSION

Howard E. Lohley
