Re: Oil and Gas Lease
No. 2462

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated June 10, 1932, covering your No. 1 Cassidy well on the subject land in the SW 1/4, section 27, T. 24N., R. 27E., Wilburt Area, Garza County, New Mexico.

Your proposed work is hereby approved subject to compliance with the provisions of the "Oil and Gas Operating Regulations" revised May 25, 1932, a copy of which will be sent you on request and subject to the following conditions:

1. Drilling operations as authorized are subject to the attached sheet for general conditions of approval.
2. Notify this office in sufficient time to arrange for a representative to witness the casing operations and water shut-off tests.
3. Furnish the U. S. Geological Survey duplicate copies of all surveys run.

Your attention is called to the requirements that our Form 9420 shall be filed in duplicate for each month beginning with the initial operation on the lease showing the status of the well.

Very truly yours,

James A. Hunt
Acting District Engineer
