Attention: Mr. Clark E. Storm

Gentlemen:

Reference is made to your letter of September 4, 1962, wherein you requested approval of the tubingless completion of your Baetz Well No. 1, located in the SE/4 SW/4 of Section 35, Township 14 South, Range 27 East, Chaves County, New Mexico.

It will be necessary that this case be docketed for hearing before approval can be given. Inasmuch as our docket for September 27 has already been closed, this case will be docketed for hearing at the first examiner hearing in October, probably sometime during the week of the eighth.

Very truly yours,

DANIEL S. NUTTER  
Chief Engineer
