Dear Sir:

We have received no communication regarding the above-captioned well since the Notice of Intention to Drill, filed October 12, 1959. Please inform this office immediately of the present status of the well. Also, please submit three (3) copies of form C-103 on each string of casing run since the above date. These forms must be filed within ten days, else appropriate action will be taken.

Very truly yours,
