Describe the Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

LETTER from OCC requested cutting and leveling of pits. Well has not been produced and needs additional down-hole repairs. The pits will be required for that work. We presently plan on doing that work after the first of the year.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
