New Mexico Oil Conservation Commission
Artesia, New Mexico.

Dear Sir:

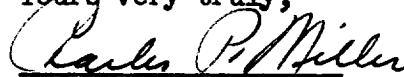

Attention: Mr. M.L. Armstrong

You have called my attention to the fact that in submitting Form C-105 on my S.M. State #1, section 20-4 S- 27 E, I submitted only five copies whereas I should have submitted six.

In order that your records on this well may be complete I am, as per your request, submitting an additional copy of the required form.

cpm.
encl.

Yours very truly,

Charles P. Miller
