Re: Phillips State "A"
Well No. 1, Unit N,
Sec. 3-11S-27E, Chaves
County, New Mexico

Dear Sir:

The location of the above-captioned well has recently been checked and we find that the rat hole has not been filled, and there is no marker on the location.

It will also be necessary for you to submit two (2) copies of electric log on this well.

Please take care of this work as soon as possible so that your plugging report can be approved.

Very truly yours,

OIL CONSERVATION COMMISSION

M. L. Armstrong
