Dear Mose:

The forms (C-103) you received on the C. T. Robertson wells may have been received at this office and forwarded to you, when missent forms are received that have not been approved by the district office, all the unsigned copies are forwarded. We checked the well file for the White Ranch No. 1 and found no plugging report and assumed none had been filed for the other wells.

If the forms you received were forwarded from this office it was by the mail clerk, as is usual.

Very truly yours,

J. E. KAPTEINA
Engineer
