Dear Sir:

I am writing you in regards to a number of wells you have in the Coyote Pool, Chaves County New Mexico. On some of these wells, we do not have forms C-103, Pipe and Treating Record and forms C-105, Well Records.

We notice you are injecting water in one of these wells. Please report just when you started this operation and how much water you have injected to the first of July.

I am sending a book of rules and regulations.

If any of the wells you purchased from Ross Brunner haven't been transferred to you, please do so.

Please send these forms to us at once.

Very truly yours,

M. L. Armstrong
Supervisor, District No. 2
