

FOR (OIL) - (GAS) ALLOWABLE

New Well
Recompletion

This form shall be filed with the District Office before an initial allowable will be assigned to any completed Oil or Gas well. The form shall be filed with the District Office to the same District Office to which Form C-101 was sent. The allowable will be assigned on the date of completion or recompletion, provided this form is filed during calendar month of completion or recompletion. The date of completion or recompletion shall be that date in the case of an oil well when new oil is delivered into the well, or in the case of a gas well when gas is first produced at 60° Fahrenheit.
