Re: State "B" Well # 1, Unit
J, Sec. 13-11S-27E, Chaves
County, New Mexico.

Gentlemen:

A recent inspection of the above location found a 1" pipe for the dry hole marker. In accordance with Rule 202, Paragraph (A), the exact location of abandoned wells shall be shown by a marker at least four inches in diameter set in concrete, and extending at least four feet above mean ground level, with the $\frac{1}{4}$ $\frac{1}{4}$ section or unit letter, section, township and range permanently stenciled on the marker.

Very truly yours,

OIL CONSERVATION COMMISSION

Re: State "B" Well #1, Unit
1, Sec. 13-112-27E, Chavez
County, New Mexico.

Enclosure:

A recent inspection of the above location found a 1" pipe for
the dry hole marker. In accordance with Rule 202, Paragraph (A),
the exact location of abandoned wells shall be shown by a marker
at least four inches in diameter set in concrete, and extending
at least four feet above mean ground level, with the 1/2 section
or unit letter, section, township and range permanently stenciled
on the marker.

Very truly yours,

OIL CONSERVATION COMMISSION

W. A. Cressett
Oil and Gas Inspector
