Williamson, State Well
No. 2XA, Unit A, Sec.
15, T11S, R27E, Chaves
County, New Mexico

Dear Mr. Hanson:

A recent field inspection of the subject well reveals that the pit contains some oil and is not fenced as required by Rule 313, Commission Rules and Regulations. Further, this office has received a complaint from the rancher about open oil pits in this area. Please remedy the above described situation as soon as practicable. Another inspection of this area will be made next week.

Very truly yours,

OIL CONSERVATION COMMISSION
