Chaves County, N.M.

Dear Sir:

A recent field inspection on the above mentioned well indicates that the marker does not have the correct $\frac{1}{4}$ - $\frac{1}{4}$ on it. The marker should read as follows SW $\frac{1}{4}$ -SW $\frac{1}{4}$ S23-11S-27E, instead of SE/4 S23-11S-27E. Please file form C-103 Plugging Report, and form C-105 Well Record on the above mentioned well.

Yours very truly,
