Mr. R.L. Stamets
Oil Conservation Commission
Artesia, New Mexico

Dear Mr. Stamets:

I am involved in a partnership dispute and am in a position of financial embarrassment and am no longer producing these two wells referred to in your letter of May 17, 1960,

I understand Mr. H.B. Phillips at the Nickson Hotel, Roswell, New Mexico, is operating these wells and I am sure a letter to him would result in him providing the necessary forms.

Sincerely yours,

Herschel L. Copelan, M.D.
