Dear Sir:

We have in our files the plat, C-101 "Notice of Intention to Drill", and C-103 "Beginning of Drilling Operations", on the # 1 State - Jackson, in Twp 8 - Range 28. If you will check your files I believe you will find that the plat and C-103 shows the well in Section 36, but the C-101 shows this well to be in Section 16. Would you please check this and give us a corrected report. Immediate reply requested.

Very truly yours,
