Dear Mr. Campbell:

I find upon checking my Scout Report that your Richfield Oil Corp., J. P. White #4-1 Well, in Sec. 31, T. 9S, R. 28E, Chaves County, has been spudded and is now at a T.D. 2126'. This report also reflects that 11 3/4" casing and 7" casing has been set.

May I draw your attention to the fact that Form C-102 and Form C-103 on both operations have not been filed with this office.

Will you please file these reports at your earliest convenience.

Very truly yours,
