Re: White Ranch "19" Well No. 19-1,
SW SW Sec. 19-10S-28E

Dear Sir:

After inspecting the site of the above-captioned well I find that you have not placed the well location on the marker in the correct manner. It should read as follows:

SW SW, Sec. 19-T10S-R28E

Please notify this office as soon as this correction has been made so that your plugging report may be approved.

Very truly yours,
