Dear Mr. Robertson:

On September 2, 1960, our field man, Bill Gressett, inspected the above captioned well. He found this well has not been plugged as yet. We would like for you to plug it at once.

Please notify us when you are ready to commence this work as we wish to witness the job.

We also need five (5) copies of C-105, Well Log.

Very truly yours,

M. L. Armstrong
