Re: White Ranch #1,
SW SW 6-11S-28E.

Dear Sir:

A recent field inspection on the above mentioned well indicates that the marker does not have the correct location on it. The location should read 660S & 660W, 6-11S-28E, instead of 660 FWL, 6-11S-28E. Also, the pit has not been filled.

Please take care of this immediately and notify us when the work has been completed.

Yours very truly,

OIL CONSERVATION COMMISSION
