New Mexico Oil and Gas Engineering Commission
Box 2045
Hobbs, New Mexico

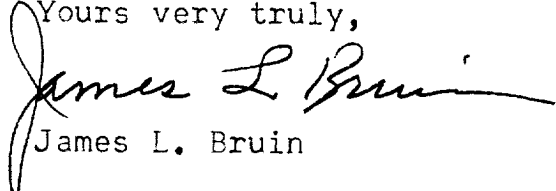

Gentlemen:

I am writing you in regard to the J. W. Sorrells No. 1 Waller well in 21-12S-28E and the J. W. Sorrells No. 1-A W. F. Waller well in 28-12S-28E.

We would like to get a complete report on these wells, particularly concerning whether or not they have been plugged and if so, when, and the name and address of the driller and such other information as you can supply us. If there is any charge for your services, please advise us prior to the time that you prepare the report for us.

Thank you very much.

Yours very truly,

James L. Bruin
