Dear Mr. Bruin:

We are forwarding your letter requesting information on the J. W. Sorrells wells to Mr. M. L. Armstrong, Oil and Gas Inspector in the Commission office at Artesia, since all records on these wells are kept in that office. Under a redivision of districts this area of Chaves County was assigned to the Artesia office, in April of 1956.

Yours very truly,

October 1, 1934

Mr. James L. Sprin
Oil Conservation
Hobbs, New Mexico

Dear Mr. Sprin:

I am writing you in answer to your letter of September 27, 1934, regarding the matter of the oil and gas properties in the Hobbs area. I am sorry that I cannot give you more definite information at this time, but I am sure that you will understand the position of the Commission. Under a regulation of the State of New Mexico, the oil and gas properties in the Hobbs area are being sold by the State. The Commission is in charge of the sale and is trying to get the best price for the State. I am sure that you will understand the position of the Commission.

Sincerely yours,
James L. Sprin
