Chaves County

Dear Sir:

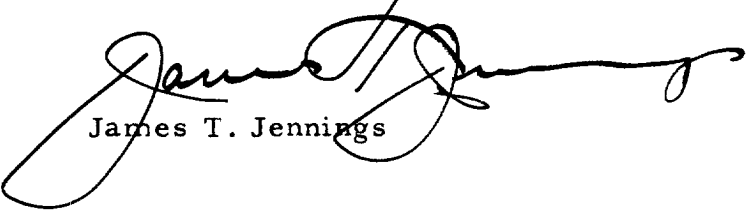

Enclosed herewith you will find the following instruments in triplicate:

1. Form C-103, Report of Beginning Drilling Operations.
2. Form C-102, Notice of Intention to Plug
3. Form C-103, Report of Plugging

You will also find an Affidavit in duplicate, executed by J. P. White, Jr. a partner of the L. E. Land Company which owns the surface, reflecting that the well was plugged to his satisfaction and further reflecting that the surface at the well site was left in the condition agreed upon.

A Form C-105 is being prepared and will be forwarded to you in the very near future. If possible, I will also obtain a well log for you. The location is ready for inspection by your agents and if the Affidavit enclosed does not satisfy this requirement you may have your agents inspect the location the next time one of them is in the vicinity.

Yours very truly,

James T. Jennings
