Dear Sir:

This will acknowledge receipt of forms C-105 Well Log and C-103 Plugging Report on the above mentioned well.

Please submit 2 extra copies of form C-105, as we need 5 copies of this form. We also need 3 copies of form C-103 on each string of pipe you ran, stating how much pipe, how much cement and what method you cemented.

I believe if you will refer to Rule 1106 page 44 in the State Wide Rules and Regulations it will help you to understand form C-103.

Yours very truly,
