Re: Nine Mile State #1-SW SW  
Section 33-14S-28E  
Chaves County, New Mexico

Dear Sir:

In order to complete the file on the above mentioned plugged well the following items need to be taken care of. Fill the pits, remove tie downs, put the  $\frac{1}{4}$   $\frac{1}{4}$  section on the marker and file well log and plugging report.

Very truly yours,

OIL CONSERVATION COMMISSION

Re: Mine Mine State #1-3W SW  
Section 33-113-33E  
Graham County, New Mexico

Dear Sir:

In order to correlate the life on the above mentioned property  
well the following items need to be taken care of. Fill the pits,  
remove the dows, put the  $\frac{1}{2}$  section on the marker and fill well  
log and plugging records.

Very truly yours,

OIL CONSERVATION COMMISSION
