

October 17, 1950

Spartan Drilling Company  
Att: James E. Elliott  
1120 Mercantile Securities Building  
Dallas 1, Texas

Gentlemen:

We have today received through our Santa Fe, O.C.C., office  
you C-101, "Notice of Intention to Drill", in 25- 88-295r 29E  
Due to the fact that this form was delayed in arriving at  
this office you actually have been operating for a week  
without approval.

If you have a copy of our "Rules and Regulations", you will  
find on pages 1 and 32 that the state is broken up into districts  
to expedite administration of the work of the Commission  
and enforcement of its rules and regulations.

Inasmuch as this well is in our district it will be to your  
advantage if in the future you will mail all correspondence  
directly to this office. Upon receiving properly executed  
forms they will immediately be approved and a copy returned  
to your office.

If you do not have a copy of the New Mexico Oil Conservation  
Commission, "Rules and Regulations", please let us know and  
we will mail you a copy immediately.

Very truly yours,

OIL CONSERVATION COMMISSION

Sperry Drilling Company  
Attn: James R. Elliott  
1120 Marquette Building  
Dallas, Texas

Gentlemen:

470  
We have today received through our bank a check for \$100.00, of which \$50.00 is in payment of the balance of the contract for the purchase of the land in the State of Texas. The fact that this form was delayed in arriving at this office has actually been operating for a week without approval.

If you have a copy of our "Rules and Regulations" you will find on pages 1 and 2E that the state is broken up into districts to expedite administration of the work of the Commission and enforcement of its rules and regulations.

Inasmuch as this well is in our district it will be to your advantage if in the future you will mail all correspondence directly to this office. Upon receiving properly executed forms they will immediately be approved and a copy returned to your office.

If you do not have a copy of the New Texas Oil Conservation Commission "Rules and Regulations" please let us know and we will mail you a copy immediately.

Very truly yours,

Oil Conservation Commission
