27 jts. 5" Liner 1321 - 1-8217 1-150 1-225 sr. + 50 sr.
Temporarily abandoned

With the exploration that we have done and the seismic work that is of the immediate past and over it, we feel that at least some of these holes will be re-entered. We are hopeful that Plains Radio Broadcasting Company is owner of the oil, with a substantial interest in the minerals, that you will bear with us father.

I hereby certify that the above is true and correct to the best of my knowledge and belief.
