Dear Mr. Ingram:

We are returning the enclosed Forms C-101 and C-102 on the subject well for additional information.

According to our records, none of the 5 1/2" casing was pulled. However, you have indicated that some of it was pulled.

Please state if the gas is or is not dedicated to a purchaser.

Further, we do not have an original survey plat, therefore, the location must be surveyed.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett
Supervisor, District II
