Re: White Ranch Well No. 2,
Unit D, Sec. 6-12S-29E,
Chaves County, New Mexico

Dear Sir:

The location of the above-captioned well has recently been checked and we find that the cellar and pit have not been filled, and the location has not been correctly placed on the marker. The cellar and pit should be filled and the marker should read:

"NW NW Section 6-12S-29E"

Also, it will be necessary for you to submit two (2) copies of electric log on this well.

Please take care of this work as soon as possible so that your plugging report can be approved.

Very truly yours,

OIL CONSERVATION COMMISSION
