April 29, 1948

Mr. Justin Newman
Oil Conservation Commission
Artesia, New Mexico

Dear Sir:

The attached forms were mailed to you in error with only the original and one copy. We are sending you the second copy this time.

Our representative was mis-informed about witnesses and only called on the office of Mr. Minton in Roswell; so he did not call you re casing and casing tests. The State Engineer Representative did witness this to his satisfaction.

Sorry to have caused such inconvenience and delay in this matter and in the future we will attempt to keep more up to date.

Roy — Also, concerning our application to plug our J. P. White Co. No. 1 in Chaves County. The form C-105 was submitted March 23, 1948. If you have had any word about this, please notify us.

I will be in Artesia sometime during the next week and will come by to see you.

Yours very truly,

DEKALB AGRICULTURAL ASSN., INC.
