12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Because of the shallow depth of this well, copy of C105 enclosed,
we propose to;
Pull rods, pump and tubing as necessary, fill casing from TD to
surface with cement and run the sand line sinker bar several
times while cementing to eliminate any air pockets.
Set dry hole marker and clean location of any equipment, pipe,
tanks and junk.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
