

April 8, 1963

Mr. J. W. Brown  
Nickson Hotel  
Roswell, New Mexico

Dear Sir:

On February 9, 1960, we received Form C-101 and Form C-128 (Notice of Intention to Drill and Plat) on State well #10,1310/W 1980/N, 26-10-26, We also received the same forms on State well #11, 1980/W 2630/S, 26-10-26.

Those are last reports we have received. Were these wells drilled? If so, furnish us with Form C-103, as to how much pipe and cement was used and the status of these wells at the present time.

If these wells were not drilled, please send us Form C-103, showing abandonment of location.

Please do this at once.

Very truly yours,

M. L. Armstrong  
Supervisor, District II

MLA/uh

April 1, 1960

Mr. C. W. Brown  
Jackson Hotel  
New Orleans, Louisiana

Dear Sir:

On February 9, 1960, we received Form G-101 and Form G-102 (Notice of Intention to Drill and Mine) on March 10, 1960. We also received the same forms on March 10, 1960. We also received the same forms on March 10, 1960.

Those are last reports to have received. We are now waiting for the results of the tests and the status of the wells at the present time.

If these wells were not drilled, please send us your report showing abandonment of location.

Please do this at once.

Very truly yours,

Mr. J. J. Brown  
Birmingham, Alabama
