Dear Sir: Re: Smith Well No. 1, Chaves County

This is in reply to your letter of the 18th in which you stated that you received our notice of intention to plug this well, and we wish to advise that at the same time we filed this report we also filed a Form C-105, giving the log and showing all formations encountered in the drilling of same. This form was filed with the Commission at Santa Fe along with the notice of intention to plug the well.

If you desire any further information on this please advise us.

Yours very truly,

RIP C. UNDERWOOD
