OFFICE OF STATE GEOLOGIST

SANTA FE, NEW MEXICO

April 8th, 1915.

Mr. F. J. Vesely,
State Oil & Gas Inspector,
Carlsbad, New Mexico.

Dear Pete:

On March 14th, Form SG 101, "Notice of Intention to Drill New Well" by the Old Spanish Grants, Inc., Mr. A. F. Bergere, President, was forwarded to you to be approved upon receipt of proper bond in this office.

Mr. Bergere submitted a bond, which was not quite satisfactory, but Dr. Wells after talking to the agent, requested me to notify you that in a very short time proper bond will be formed, but in the mean time, he is giving the Oil Spanish Grants, Inc. permission to begin drilling operations. Please approve this form SG 101 and send the approved copy to this company.

Thanks.

Very truly yours,

Rose
