New Mexico Oil Conservation Commission  
P. O. Drawer DD  
Artesia, New Mexico

Gentlemen:

The Avalanche-Journal Publishing Company has been filing reports with your district office through our Mr. James Wood. Arrangements have been made for future reports to be filed from our Amarillo office.

Enclosed is a list of the forms we will need. Please send them at your earliest convenience. It is necessary for us to file a C-103 to indicate commencement of drilling within the next ten days on LE 14-#1 (Unit A, 14-10-28) We will need the forms you are sending for this report.

Referring to rule 1122 it appears that we may need to file form C-123 with your office in connection with LE 7 well #1 (Unit C, 7-11-28 Chaves Co., New Mexico) Please advise us as to the applicability of rule 1122 to this well.

Respectfully,

Avalanche-Journal Publishing Co.

A. L. Swift  
Coordinator

*ask note letter concerning rule 1122  
ask has copy of letter  
letter written 3/4/63*
