New Mexico Oil Commision
909 West Dallas
Artesia, New Mexico

Dear Sir:

On October 29, 1963, I, W. H. Cravey, witnessed a Sure Shot deviation test ran on Burleson & Huff, Harris Well No. 1. The reading at 500 feet was $3/4$ ' and at 946 feet the reading was $1/2$ '.

Respectively Yours,

mc/W.H.C.

W. H. Cravey

W.H. Cravey

State of New Mexico, County of Eddy:

On this 1 day of November 1963, before me personally appeared W. H. Cravey to me known to be the person described in and who executed the same as his free act and deed.

Joe Freeman
Notary Public

My commission expires 4/13/1967
