Re: Form C-103

Dear Dr. Dunn:

This will acknowledge receipt of C-103 on the following wells.  
Pendergrass #1 in NW NW, section 4-7S-26E  
Beadle #1 NE SE in section 5-7S-26E  
Osage #1 NW NE in section 33-6S-26E

We are returning these forms for your signature. If you have other well that you have run pipe on please submit C-103 on them also. Form C-102 says you are going to treat Sturgeon #2, but we did not receive C-103.

Very truly yours,

OIL CONSERVATION COMMISSION
